EDUCATION

Web Development Course

CodeSpace

📅 09/2018 - 12/2018

GPA

4.0 / 4.0

Bachelor of Commerce in Economics

UNISA

📅 01/2013 - 11/2017

GPA

4.0 / 4.0

BCom Politics, Philosophy and Economics (incomplete)

University of Cape Town

📅 11/2008

GPA

4.0 / 4.0

MOST PROUD OF

In my time at the high schools of Mfuleni I have introduced students to computer programming - something that they thought was beyond their capabilities

These students are highly disadvantaged in that they have very little to no access to hardware and software. With the change in industry, these tech skills will be pivotal to the success of their job search in the years to come.
